Web Development Bootcamp @Concordia Montreal | 2023

Multimedia Communication Bachelor @UQAM Montreal | 2019 - 2022

International Administration DEC @Collégial Saint-Anne | 2016 - 2019

WORK EXPERIENCE

Front End Developer | CMS Laurentides

September 2023 - Now

- Led the complete redesign and development of the company's website, enhancing its visual appeal and user experience.
- Ensured cross-browser compatibility and responsiveness on various devices and screen sizes, improving accessibility for a wider audience.
- Implemented technologies and frameworks, such as HTML5, CSS3, and react.js, to create an interactive and user-friendly website.

Front Desk Staff | Cafe Bloc

2021 - 2023

- Delivered customer service, catering to diverse client needs, while handling bookings and overseeing the rental process for climbing equipment.
- Served dual responsibility of barista and cook, balancing roles to ensure seamless kitchen operations. Maintained kitchen inventory, while upholding the standards of food quality and presentation.

Snowboard Coach | A.N. Morin HighSchool

2020 - 2021

- Developed training plans designed specifically to the age groups of my students, ensuring that each individual received personalized instruction and guidance.
- Introduced students to the fundamentals of competitive preparation, equipping them with essential skills and knowledge.
